ORDINARY.COM for the latest information before making your holiday plans. If the weather is bad, please stay in touch for emergency changes,

We need your full name & phone # (is a text to you OK?) when making a reservation. Always Always repeat that phone number when leaving a message on our voice mail and PLEASE spell your name if it’s not Smith or Jones. Also, please remember that email is not a good “last minute” tool—the telephone and particularly TEXT messages still work best for that. If you do not get a timely response from us please try again since no electronic gadget or human is foolproof!

Please bear in mind that it is very difficult for us to answer the phone or retrieve VOICE MAIL while the restaurant is in full operation as on MOTHERS DAY. Please be patient and use TEXT messages if possible.

The nicest thing you can do for someone is to tell them about something you like, such as Tanglewood Ordinary Country Restaurant. We deeply appreciate “Word of Mouth” advertising—it really helps us. Thank you!
