Thanksgiving at Tanglewood Ordinary 2020

DINE IN & PICK UP DETAILS

Once again, we will be offering our famous Thanksgiving Dinner this year (our 35th!). We will be offering both Pick Up and Dine In meal options on special schedules with reduced availability compared to our usual 500+ guest capacity on TG.

Please be sure to read all of the details that follow and note that Pick Up dinner info is farther down below the Dine In info. As is always required, be sure you bring your COVID-19 face coverings for when you are not seated at your table. We'll have a limited supply of masks for sale that day, but please don't ask for exceptions to the mask rule—it is mandate in VA.

DINING IN We will be seating one half of our overall dining room space for those families who would like to dine in, with safety and sanitizing protocols in place to keep our guests and staff as safe as possible. The meal includes our traditional Thanksgiving dinner served family style with refills (menu details below) and includes special dessert choices, plus tea, coffee and lemonade. *Tax and gratuity are separate.*

All reservations and Pickup orders will require pre-payment.

Prices for Dine in:

Adults 12 and up	\$39.99
Children under 12	\$22.99

All kids under 4 are no charge but only if noted when the reservation was made—we have to plan for the space! Any guests of ANY age added "Day of" will have to pay the full Adult price on arrival, assuming we have space for them. Our seating is very limited compared to prior Holidays.

{All prices are plus 6% sales tax (we have no "hospitality added tax in Goochland) and service}

Please remember our fabulous server staff on this Holiday. They are working for you!

We will take Dine In reservations for Thanksgiving Day starting with 11:00 AM arrivals, with our last reservations for 6:30 PM arrival. Unfortunately, we cannot give refunds for no shows, in part or in full. Our ability to add guests after reservations are made may be very limited, and remember that ANY added guests Day of will be charged at the full adult price regardless of age, if we have space. Walk ins MAY be possible but please don't be upset if no space is available.

In this 2020 environment, we are doing our best to be fair to everyone and need to clarify the times scheduled for each party. We want our guests to relax and have an enjoyable meal. Tables for parties of 5 or less are scheduled for an hour and a half, parties of 6 or more are scheduled for two hours. This has always been our scheduling behind the scenes but we are being out front with it this year and asking our guests to be fair to the families coming next.

Please note that we may cancel the reservation of any party who is significantly late and there will be no refunds! "Significantly late" means that in our sole judgement your tardiness harms the timing and comfort for the next party scheduled for the table. Please remember, our staff is doing extra cleaning that is required between groups and we want to be fair to everyone. PLEASE remember the VA mandated mask requirements!

Special Thanksgiving Menu - Dine In – Thursday, November 26, 2020

VERY IMPORTANT

Please either make your reservations via email, text or call. Regardless of how you do, please be sure to send us an email after that so we can stay in touch. If you made the reservation by another means, please repeat the information in the email—thank you. Send it to

TGResv2020@Ordinary.com

With. **Thanksgiving 2020**

in the Subject line (and be sure we acknowledge it back to you!). Please don't try to leave email addresses on voice mail or text—just not as reliable, sorry. Thank you for your cooperation, as not having your email address may slow down our confirmation of your request.

Please note we usually use a Gmail address to SEND mail, not from our Ordinary.com domain due to “apple issues”. Our subject line for mail to you will always start with “TWC TG2020”

Required Advance Payment instructions and some added details and/or changes will be emailed to those with finalized reservations, and time will be of the essence for responding since we expect requests to exceed our COVID diminished space & times availability. Please be patient as compliance with unexpected newly promulgated government rules could result in glitches beyond our control. We're all in this together, folks, and We Thank You!

This is the first draft, so please tell us right away if you find any errors or lack of clarity that we can correct, thank you; this is new and different for us. v1

ALL ABOUT PICK UP MEALS
